Bmaki@lewalt.k12.mn.us

## Client Overview

- Full-range Program Management services provided
- Pre-Referendum process with Community Taskforce
- Referendum success – both operating and bond after one failed election
- LTFMR projects
- Classroom remodels
- Security updates

### Phase I: Developed Operating and Bond Referendum Strategy (November 2023 Election)

- Facility condition and educational adequacy assessment
- Building capacity and site analysis
- Board asked 2 bond questions - \$26.6M Building Needs and \$12.5M New Gymnasium and Auditorium
- Both questions failed with Question 1 narrowly defeated

### Current Phase II: \$19.95M Elementary and High School Renovations

Program management, design, bidding, and full construction services provided:

- Redeveloped both operating and bond referendum strategy (November 2024 Election)
- Re-engagement of community, communication, and building public trust
- Successfully passed both operating and bond referendums
- Expected completion: Fall 2026

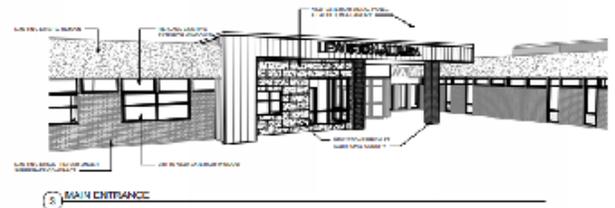

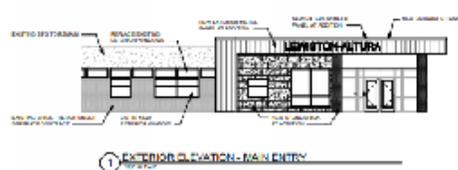

## Current Project Highlights:

### Elementary School:

- Remodeled school office
- New bus and parent pickup drop-off areas
- Renovated Music Room
- Upgraded Kindergarten classrooms
- New upgrade gymnasium floor
- Extended Elementary corridor walls

### High School:

- Remodeled school office
- Upgraded Science, Art, and CTE classrooms
- Renovated Wrestling room
- Improved locker rooms
- New roofing and windows
- Ventilation and heating upgrades
- Refinished gymnasium floor
